## FREQUENTLY ASKED QUESTIONS

### What is the Coalition Health Center?

The Coalition Health Center is a low-cost primary care clinic provided through a partnership between Pacific Health Coalition and Marathon Health. It is available to members covered by the Northwest Sheet Metal Workers Healthcare Trust.

### Who is Marathon Health?

Marathon Health delivers advanced, primary care through more than 720 health centers nationwide. Their model focuses on personalized, cost-effective care with proven outcomes across clinical, acute, and chronic needs.

### Why is this benefit being offered?

Health plans are seeking better, more affordable healthcare. This benefit helps reduce rising healthcare costs, improve outcomes, and offer easy access to high-quality, no- or low-cost care.

### Where is the clinic located?

Coalition Health Center  
6816 W. Rio Grande Avenue, Suite A  
Kennewick, WA 99336

### When does the clinic open?

The Tri-Cities clinic officially opens on June 4, 2025. Scheduling is now available.

### How do I schedule an appointment?

You can call the dedicated scheduling line at:  
509-236-0649  
Monday – Friday, 8:30 AM – 4:30 PM

Online scheduling will be available soon

### What are the clinic hours?

The clinic is open Monday through Friday, with 40 hours of patient care available weekly.

Appointments include flexible early morning and evening slots to fit your schedule.

## FREQUENTLY ASKED QUESTIONS

- Who is eligible to use the clinic?** Members and dependents actively covered by the Northwest Sheet Metal Workers Healthcare Trust health plan.
- What services are offered?** The clinic offers comprehensive primary care, including:
- Preventive care (annual exams, screenings, etc.)
  - Acute care (cold/flu, UTI, rashes, minor injuries)
  - Condition management for chronic issues like diabetes or hypertension
  - Labs and testing (cholesterol, pregnancy, A1C, etc.)
  - Onsite medication dispensary for common medications
  - Pediatric acute care (ages 2+)
  - Nearby imaging services
- Is there a cost to use the clinic?** Services at the Coalition Health Center are offered at a low cost for eligible members and their families. Most visits and services are fully covered.
- Can I get my prescriptions filled at the clinic?** Yes! The onsite medication dispensary offers common medications for both acute and chronic conditions, eliminating the need to visit a separate pharmacy in many cases.
- Is after-hours care available?** Yes, for established patients. A 24/7 RN triage line is available to support urgent care needs outside of regular clinic hours, with all encounters documented in your medical record.
- What if I already have a primary care provider?** The Coalition Health Center is an additional, low-cost option. You are welcome to continue care with your current provider if you choose, but the clinic may offer more convenient access, faster appointments, and low out-of-pocket costs.
